

## **Lebanon I-44 Speedway Is An ASA MEMBER TRACK**

*Every Driver, Owner and Crew Member in the ASA divisions at Lebanon I-44 Speedway should obtain a 2011 ASA Racing Membership.*

This is a positive alignment and is an investment for you as competitors and crew members at Lebanon I-44 Speedway. While it costs Lebanon I-44 Speedway extra money – we feel the National notoriety and insurance for participants alone, is well worth it.

Here are just a few of the positive things that we receive as an ASA Member Track:

- ⇒ Every ASA Racing Member receives a complimentary one-year subscription to Circle Track magazine
- ⇒ INSURANCE: ASA enables us to obtain much better insurance for you! This is one of *the most beneficial parts* for the drivers & crewmembers: It is many times the coverage offered by this track prior to ASA. \$ 500,000.00 in participant medical coverage for an ASA Member. (Non-Members receive \$ 50,000.) Coverage for the member begins while traveling to a location promoting an ASA-sanctioned event and continues until arrival home again, assuming the basic guidelines are followed and no exclusions, such as drinking and driving, are violated.
- ⇒ Less money to enter the pit area if an ASA member
- ⇒ A Dental policy is also included in the participant medical insurance.
- ⇒ Driver Notoriety gained from ASA National Press coverage and Circle Track magazine inclusions!
- ⇒ An ASA Racing Hat, license membership card and decal are part of the package mailed to you when you become a member.
- ⇒ Driver "Profiles" on the [www.asaracing.com](http://www.asaracing.com) website
- ⇒ ASA Racing Banners for the track
- ⇒ Easier for you to sell sponsorship being part of a National Organization
