1. Rental must be arranged at least 24 hours in advance (for daytime practice) or by noon on the day before (for evening practice), with an estimate of how long they would like the track. This is required by the ambulance office, so that they can make staffing arrangements. The person reserving for a group must be prepared to pay the total cost for the group.

3. A non-refundable deposit of \$200.00 will be required to reserve the track time.
4. The deposit will be applied to the total rental fee, and the balance will be due and payable by cash, local check or Visa/Mastercard. "No shows" or cancellations on the scheduled test day will result in loss of deposit.
5. Track time begins upon entering pit area, and until driver notifies track management they are done. Time can only be broken down by the ½ hour, and will be rounded up, (example: 40 minutes = 1 hr). Track management reserves the right to limit the number of participants.
6. Everyone entering the pit area must sign a Waiver and Release prior to entering restricted area.
7. Anyone driving on track must be a registered driver.
8. No rain checks will be issued.
9. Only one (1) car is allowed on track at a time.

12. If renter wishes to practice with more than one (1) car on track, additional fees for special insurance and a flagman/track control person will be assessed. Arrangements for this exception must be made at the time the track rental is arranged.
13. Renter is fully responsible for damages to the facility as a result of the track rental, including but not limited to oil-downs of the track.
